Dallas teletype of 1/23/64 referred to information furnished the Dallas Office by *[redacted]* indicating that District Attorney Henry Wade had supposedly received a call from the President's Commission to appear immediately in Washington, D. C. regarding information Wade allegedly had that Oswald was on the FBI payroll at \$200 per month and had a code name and number assigned to him and that SA Hosty was supposedly a non-existent person and was just a code name used by the FBI.

SAC Shanklin of Dallas was telephonically advised today to contact *[redacted]* and advise him that this story was completely without foundation and to try and obtain from *[redacted]* the source of his information in order that this source could be straightened out.

Shanklin was told that in the event *[redacted]* refused to divulge his source, *[redacted]* should be requested to contact his source and straighten out this individual as to the true facts in order that this rumor would not be spread any further.

ACTION: None - submitted for information.
